Put on your lab coat and pull out your paintbrush as we dive into the art of science!

# CHILDREN CAN ENJOY EVERYDAY OPPORTUNITIES FOR LITERACY, MATHEMATICS, SCIENCE, ART, AND MORE...

Our ADVENTURES IN LEARNING enrichment programs provide children at all levels with new skills, confidence, and a love of learning. Children are encouraged to socialize, discover and create, make stuff, say things, and best of all, sing and jump around! From school preparation to extra-curricular fun, each program offers individualized instruction in classroom settings with low teacher to child ratios (8:1). ADVENTURES IN LEARNING enrichment programs meet individual children's needs by catering to their learning styles and the rate at which they learn. The programs are designed to:

- Improve Academic Skills
- Build School Readiness
- Instill Confidence And Build Competence Through A Combination Of Learning And Fun

ADVENTURES IN LEARNING enrichment programs are led by certified teachers and offer theme-based, hands-on learning activities for Preschool & Pre-Kindergarteners. Programs are offered Monday thru Friday in two 14-week sessions (fall and spring). Children may enroll in 1, 2, 3, 4, or all 5 programs! Preschoolers must be potty-trained to attend. Our goal is to inspire children to trust their curiosity and nurture confidence so they will comfortably grow in their learning experiences!
