## Summer Fun Camp 2017!

We Say "Camp." Your Child Says "Fun!"

Are your kids ready for an amazing summer adventure? We're here to provide all the fun that summer has to offer, with additional learning experiences to help them grow. If you're looking for ways to introduce your child to new and fun experiences, you've got to check out the Dunmore Kids Creative Learning Center Summer Fun Camp! Whether your child is interested in arts, science, or sports, our themes are designed to be fun and interactive. Kids just love them!

What makes DKCLC summer camp different from every other summer camp? Our themes! They go beyond fun and exciting. Each week has a different theme and these themes are based upon **leadership qualities**. The activities of the week are designed to teach, encourage, and develop those traits in the children. From **listening skills** to **problem solving**, and **courage** to **communication**, this will be the most beneficial and fun camp you'll ever find. All activities that week will center around the theme and help you turn your child into a strong and successful leader!

We have several different enrollment options. Please speak with the Center Director to discuss further. The full day tuition rate is \$35/day and a half day (under 5 hours of care) is \$25/day. We offer a sibling discount of 10%. Join us for a fun-filled adventure! We look forward to seeing your campers this summer!
