Summer Fun Camp Registration
Summer 2024

It is time for summer camp registration! As always, we give our current families a chance to register for new programs before opening enrollment to the public. Please read through the following important information regarding Summer Fun Camp.

- Attached you will find important summer camp information and the registration form that needs to be returned
- ALL families wishing to send their child(ren) to summer camp must turn in a registration form! Enrollment in the current school year or the Fall 2024 school year does not automatically enroll your child in the summer program
- Summer Fun Camp runs on a weekly enrollment schedule. You may choose the weeks/days you wish for your child(ren) to attend throughout the summer. Billing will only take place for the weeks you choose to register
- The registration fee for summer camp is waived for current Abington Kids families

****Please return summer registration forms to the office by Friday, March 1, 2024 to ensure a space.**

****Open enrollment will begin on Monday, March 4th, at which time spaces will be given on a first-come, first-serve basis**

SUMMER CAMP

-WHAT YOU NEED TO KNOW-

Monday, June 10th is our kickoff for summer camp! This is subject to change. We start summer camp the day after the Abington School District lets out for summer. Our summer camp will be packed with excitement, discovery, learning, and adventure. Throughout this

letter you will find important notes, classroom assignments, and a checklist for what to bring on your first day! Please reach out with any other questions.

Brittany Gordon: brittany@kidscreativelearningcenters.com

Amy Cornell: amycornellakclc@gmail.com

A few important notes:

- A medication log must be signed by a parent or guardian if you bring in sunscreen for your child. When you bring in sunscreen, please have it labeled and handed to your child's teacher.
- Closed toe shoes are a must for summer as the children will be outside more.
- No toys from home!
- You must bring lunch every day. We are nut free!
- All payments must be made prior to care. If you want to pay monthly, this must be paid at the beginning of the month. Failure to follow the payment policy may lead to suspension of care.
- All children will have a new tuition agreement. Please stop at the office before or on your child's first day to sign it.
- A two week notice must be given if there are any changes in your schedule.

SUMMER CAMP

-Check List-

- ☐ Water bottle
- ☐ Sunscreen
- ☐ Lunch (nut free)
- ☐ Extra pair of clothes (weather appropriate)

☐Close-Toed Shoes

Week 1: Pirates and Mermaids (June 10-14)

Aye mateys, it's pirate and mermaid week! Come along on some adventures as we paint rocks, make hats and learn all about pirates and mermaids.

Week 2: Space (June 17-21)

The sky's NOT the limit for this space week! Campers will have a blast discovering our universe. Making galaxy playdough, a solar system mobile and oreo moon phases are some activities we will be exploring this week.

Week 3: Creepy Crawlies (June 24-28)

Whether you are a budding entomologist or are squeamish at the sight of a spider, this week is guaranteed to be educational and FUN. Campers will observe a caterpillar metamorphosis into a butterfly, make nature bugs and enjoy a visit from a professional "bug guy".

Week 4: Stars and Stripes (July 1-5) Closed July 4th

This week is everything red, white and blue! Expect lots of patriotic treats and activities including a trip to OLP for some fun in the sun with bubble blowing, games and surprises.

Week 5: Ocean Life (July 8-12)

It's a week full of all things ocean! During this week at camp, we will have a special field trip to the Electric City Aquarium! Campers will also be making shark crafts and learning from experiments with salt water.

Week 6: Winter in July (July 15-19)

Do your campers need a break from the heat? This week campers will make their classrooms into a winter wonderland, enjoy snow cones and make their very own snow!

Week 7: Disney (July 22-26)

Get your passes here to experience the magic of Disney brought to Abington Kids! Campers will be challenged by Disney trivia, get to design and decorate their own "car" to pull up to our very own AKCLC "drive-in" movie and sing-along to the best Disney songs, and so much more.

Week 8: The Artful Camper (July 29-Aug 2)

You must "Van Gogh" to AKCLC camp this week. Campers will get to expand and explore their creative side. Painting, sculpting, drawing, bead working and tie dying are just a few of the creative outlets we will be exploring. Once again our friends at Spirited Art will be here to lead us in painting a beautiful picture.

Week 9: Camp Pawsome (August 5-9)

Baby got Cats! If you like big cats and you can not lie this week is for you! We will go on a Barktastic voyage into the world of pets. If you love 4-legged creatures don't miss out celebrating all there is to love about our furry friends. Campers can bring in pictures of their pets for a show and tell day or draw their favorite animals. Psst... There will be a surprise appearance from some furry friends this week.

Week 10: Under the Big Top (August 12-16)

COME ONE, COME ALL to the Abington Kids Camp Carnival! You can't complete summer without a trip to the carnival! Campers will participate in carnival classics with a twist including a cotton candy experiment, elephant toothpaste, bean bag toss, and more! This week we will have a magician visit our campers and have games of chance to play. Campers will also enjoy some classic carnival snacks!

Week 11: Wild Wild West (August 19-23)

Howdy Campers! Don't forget your bandana's and boots for this wild week of fun! Campers can pan for gold, create their own wanted posters, hear Native American folktales and learn to line dance at our AKCLC Hoe Down.

Week 12: Superheroes (Aug 26-29)

It's a bird, it's a plane, it's Superhero week at AKCLC! Campers get to create their own superhero alias, origin story, and design their own cape. Test their superhuman feats of strength, agility, and super speed in our superhero obstacle course. Their superhero action training will come in handy when campers have to defeat their arch nemesis the camp villain.

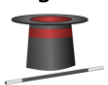

***Some field trips and special guests may require a small fee and permission slip.**

	Monday	Tuesday	Wednesday	Thursday	Friday
Pirates and Mermaids  Week 1	10 Hat Day Campers will make mermaid tail or pirate hats using construction paper and other materials to decorate.	11 Treasure Map Campers will create a realistic looking treasure map and listen to the read aloud "How I Became a Pirate".	12 Rock Painting Using paint resist pens and acrylics, Campers will design and paint a pirate face or mermaid scales on rocks. 	13 Sand Slime Kids will measure and mix ingredients to make sand slime!	14 Pirate Ship Craft  Campers will collect twigs and sticks to make a pirate ship.
