ABINGTON KIDS CREATIVE LEARNING CENTER

SUMMER 2026

SUMMIT QUEST

WELCOME

ABINGTON KIDS CREATIVE LEARNING CENTERS

SUMMER 2026

Dear Parents and Guardians,

Welcome to SummitQuest Summer Camp—we're so excited to kick off an unforgettable summer of discovery, creativity, and confidence-building with your child! SummitQuest is designed for school-age explorers who are ready to climb higher, think bigger, and dive into hands-on learning adventures all summer long.

Throughout the summer, campers will journey through a series of themed "peaks," each focused on STEM, problem-solving, creativity, teamwork, and real-world skills. From building and designing, to experimenting, creating, and exploring pop-culture-inspired challenges, every week offers new opportunities for campers to learn through play while having an absolute blast.

At SummitQuest, our goals go beyond fun (though there will be plenty of that!). We aim to help campers:

- Build confidence and independence
- Strengthen collaboration and communication skills
- Explore STEM concepts through hands-on challenges
- Spark curiosity, creativity, and critical thinking
- Create friendships and lasting summer memories

Our dedicated staff are committed to providing a safe, supportive, and engaging environment where every camper feels encouraged to try new things, take positive risks, and celebrate their accomplishments—big and small.

Please be sure to review your summer camp enrollment, billing, and invoice policies for important information about schedules, theme weeks, and special activities. If you ever have questions or need support, we're always here to help.

Thank you for choosing SummitQuest Summer Camp. We can't wait to adventure, explore, and reach new heights together this summer!

Warmly,
Brittany Gordon

WEEK ONE

PIXEL PEAK

At Pixel Peak, campers explore the world of gaming and coding—no screens required. Through hands-on challenges, logic puzzles, pixel art, and collaborative game design, explorers learn how games and virtual worlds are built while strengthening problem-solving, teamwork, and creative thinking skills.

WEEK TWO

STUDIO SUMMIT

At Studio Summit, campers step behind the scenes of animation and filmmaking to explore how movies are imagined, created, and brought to life. From storyboarding and stop-motion animation to acting, sound effects, and special effects, this week blends creativity, collaboration, and storytelling—no screens required.

WEEK THREE

BUILDVERSE

During BuilderVerse: Brick Builds & Design Masters, campers become engineers, architects, and creative problem-solvers. Using bricks, recycled materials, and design challenges, explorers plan, build, test, and redesign their creations—learning that great builders don't just build… they think, test, and improve.

6/15/26

Week One: Pixel Peak

Activity: Code the Explorer

6/16/26

Week One: Pixel Peak

Activity: Build the Biome

6/17/26

Week One: Pixel Peak

Activity: Pixel Art Challenge

6/18/26

Week One: Pixel Peak

Activity: Design a Board Game Day 1

6/19/26

Week One: Pixel Peak

Activity: Design a Board Game Day 2

6/22/26

Week Two: Studio Summit

Step 1: Story Pitch & Planning

6/23/26

Week Two: Studio Summit

Step 2: Animation in Action

6/24/26

Week Two: Studio Summit

Step 3: Set & Prop Design

6/25/26

Week Two: Studio Summit

Step 4: Cast & Crew Roles

6/26/26

Week Two: Studio Summit

Step 5: Premiere & Reflection

6/29/26

Week Three: BuildVerse

Step 1: The Build Brief

6/30/26

Week Three: BuildVerse

Step 2: Plan Like a Pro

7/1/26

Week Three: BuildVerse

Step 3: Build & Test

7/2/26

Week Three: BuildVerse

Step 4: Redesign & Improve

7/3/26

Week Three: BuildVerse

Step 5: Builder Showcase

WEEK FOUR

FLAVOR FRENZY

Whisks up! Aprons on! Let the challenges begin! During Flavor Frenzy, campers step into the spotlight as chefs, judges, and food designers. Inspired by popular cooking competition shows, explorers tackle mystery box challenges, design creative dishes, practice presentation skills, and work as teams to plan, build, and pitch their culinary creations. This week blends creativity, math, teamwork, and problem-solving—with a big dash

WEEK FIVE

FANTASY FANDOM

A magical adventure where imagination, courage, and creativity rule the realm!

During Flavor Frenzy, campers enter a fantasy world filled with wizards, dragons, enchanted lands, and epic quests. Explorers complete challenges, solve riddles, design mythical creatures, and create magical “flavors” through storytelling, art, science, and teamwork.

This week blends fantasy play, problem-solving, literacy, and STEAM—all wrapped in one legendary adventure.

WEEK SIX

SECRET CITY SYSTEMS

Discover the hidden systems that keep a city alive! During Secret City Systems, campers uncover the invisible networks that make cities work—transportation, water, power, communication, safety, and design. Through engineering challenges, problem-solving missions, and collaborative builds, explorers learn that cities aren’t just buildings… they’re systems working together.

This week blends STEM, social studies, engineering, and teamwork in a high-engagement, screen-free way.

7/6/26

Week Four Flavor Frenzy

Step 1: Welcome to the Show

7/7/26

Week Four Flavor Frenzy

Step 2: Mystery Box Reveal

7/8/26

Week Four Flavor Frenzy

Step 3: Build, Taste & Plate

7/9/26

Week Four Flavor Frenzy

Step 4: Judges' Table

7/10/26

Week Four Flavor Frenzy

Step 5: Chef Reflection

7/13/26

Week Five: Fantacy Fandom

Potion Masters Lab

7/14/26

Week Five: Fantacy Fandom

Dragon Egg Discovery

7/15/26

Week Five: Fantacy Fandom

Quest of the Lost Relic

7/16/26

Week Five: Fantacy Fandom

Knight & Wizard Forge

7/17/26

Week Five: Fantacy Fandom

Merlin the Magician

7/20/26

Week Six: Secret City Systems

Day 1: City Codebreakers
System Focus: Communication

7/21/26

Week Six: Secret City Systems

Day 2: Traffic Control Command
System Focus: Transportation

7/22/26

Week Six: Secret City Systems

Day 3: Traffic Control Command
System Focus: Transportation

7/23/26

Week Six: Secret City Systems

Day 4: Emergency Response HQ
System Focus: Safety & Services

7/24/26

Week Six: Secret City Systems

Day 5: The Great City Fix-It
System Focus: Integration

WEEK SEVEN

MICROQUEST: INVISIBLE EARTH

During MicroQuest: Invisible Earth, campers zoom in on the tiny, often unseen parts of our planet that make a bigimpact. From microorganisms and insects to soil, plants, and ecosystems, explorers investigate how life connects beneath our feet, under leaves, and beyond what the eye can see.
This week blends biology, environmental science, and hands-on discovery—perfect for curious minds and budding scientists.

WEEK EIGHT

MYTHBUSTERS: FACT, FICTION & FANTASTIC FAILS

During MythBusters Week, campers become real-world scientists and engineers as they test popular myths, playground rumors, and "sounds-true-but-is-it?" science questions. Through hands-on experiments, predictions, and redesigns, explorers learn that failure isn't bad—it's how discoveries are made.

WEEK NINE

SENSORY SCIENCE

Explore the world through sight, sound, touch, smell, and motion!
During Sensory Science, campers investigate how their senses work and how the brain processes information. Through experiments, sensory challenges, and creative exploration, explorers discover that everyone experiences the world a little differently—and that science is happening inside us all the time.
This week blends STEM, self-awareness, and sensory regulation in a hands-on, screen-free way.

7/27/26

Week Seven MicroQuest: Invisible Earth

Day 1:
Meet the Micro World

7/28/26

Week Seven MicroQuest: Invisible Earth

Day 2:
Germs on the Move

7/29/26

Week Seven MicroQuest: Invisible Earth

Day 3:
Invisible Ink Lab

7/30/26

Week Seven MicroQuest: Invisible Earth

Day 4:
Microbes in Nature

7/31/26

Week Seven MicroQuest: Invisible Earth

Day 5:
Build-a-Bug Lab

8/3/26

Week Eight: Mythbusters

Air Speed

8/4/26

Week Eight: Mythbusters

Stable Structures

8/5/26

Week Eight: Mythbusters

Flip It

8/6/26

Week Eight: Mythbusters

Spin it

8/7/26

Week Eight: Mythbusters

Table Cloth Challenge

8/10/26

Week Nine: Sensory Science

Day 1: Touch Texture Slime Lab

8/11/26

Week Nine: Sensory Science

Day 2: Sight Color Changing Slime Lab

8/12/26

Week Nine: Sensory Science

Day 3: Sound Crunchy Slime Lab

8/13/26

Week Nine: Sensory Science

Day 4: Smell Scented Slime Bar

8/14/26

Week Nine: Sensory Science

Day 4: Taste Edible Dough

WEEK TEN

FUTURETECH

Build it. Train it. Test it. Welcome to the future!
During Future Tech, campers explore how artificial intelligence, robotics, and smart machines work—and how humans design, train, and improve them. Through hands-on engineering, logic games, and invention challenges, explorers learn that technology doesn't just exist… it's created with purpose.
This week blends STEM, logic, ethics, creativity, and problem-solving in an exciting, age-appropriate way.

WEEK ELEVEN

TIME TRAVELERS

Pack your passport—history, the future, and everything in between await!
During Time Traveler's Guide, campers journey through time to explore how people lived, invented, built, and imagined the world across different eras. From ancient civilizations to medieval inventions and future worlds, explorers complete missions, solve problems, and discover how the past shapes the future.
This week blends history, STEM, literacy, and imagination in a high-energy, screen-free adventure.

WEEK TWELVE

FORENSIC SCIENCE

Solve the mystery. Analyze the evidence. Think like a scientist.
During Forensic Science, campers become investigators-in-training, learning how real forensic scientists use observation, testing, and logic to solve mysteries. Through mock crime scenes, evidence analysis, and science experiments, explorers discover that details matter—and science tells the story.
This week blends STEM, critical thinking, and problem-solving in a thrilling, screen-free format.

Registration

**Please clearly check next to the days your child WILL BE ATTENDING KinderQuest at AKCLC. The dates listed below are the dates tha dates that AKCLC is open and will have students in care. If the date is not listed below than AKCLC maybe closed for inservice or holiday.*

- W1: June 15-19 __M__T__W__TH__F
- W2: June 22-26 __M __T__W__TH__F
- W3: June 29- July 3 __M__T__W__TH__F
- W4: July 6-10 __M__T__W__TH__F
- W5: July 13-17 __M__T__W__TH__F
- W6: July 20-24 __M__T__W__TH__F
- W7: July 27-31 __M__T__W__TH__F
- W8: August 3-7 __M__T__W__TH__F
- W9: August 10-14 __M__T__W__TH__F
- W10: August 17-21 __M__T__W__TH__F
- W11: August 24-28 __M__T__W__TH__F
- W12: August 31-Sept. 3 __M__T__W__TH

Terms & Conditions

Summer registration is offered on a first-come, first-served basis, and enrollment is not guaranteed once capacity is reached; waitlist placement does not ensure availability. All registration changes must be submitted by the close of business on June 1, 2026 to avoid financial penalty. Reductions in registered days submitted between 6:00 PM on June 1, 2026 and June 6, 2026 will result in 50% of the originally registered tuition owed; reductions submitted between June 7, 2026 and June 13, 2026 will result in 75% of the originally registered tuition owed; and reductions submitted on or after June 14, 2026 will result in 100% of the originally registered tuition owed. Families are financially responsible for the days registered, no sibling discounts or vacation weeks are available during summer registration, and submission of registration constitutes acceptance of these terms.

☐ I Agree

- By checking this box you agree that you have read and understand the terms and conditions for registration. Registration WILL NOT be accepted unless terms and conditions have been agreed to. and signature is rendered below.

ABINGTON KIDS CREATIVE LEARNING CENTER
SUMMER 2026
RATE SHEET AND BILLING SCHEDULE

Registration

To complete registration and secure your child's spot, a non-refundable deposit of $100 must be submitted at the time of registration. The registration fee is $100 for the first child and $50 for each additional child registered. Families registered with AKCLC for the 2026–2027 school year will have the Summer registration fee waived. For currently enrolled families who are not yet registered for the 2026–2027 school year, the registration fee is required to complete Summer registration. Payments may be made by cash, check, or money order payable to Abington Kids Creative Learning Centers. Currently enrolled families may also request to have the registration fee billed directly through ProCare.

Tuition Rate

5 days- $225 per week
4 days- $200 per week
3 days- $185 per week
2 days- $130 per week
1 day- $70 per week
Drop in day- $75 per day

Tuition and Billing Information

At Abington Kids Creative Learning Center, families are only billed for the days they register for during the summer and camp season—if you have a planned family trip, simply do not register for those days and you will not be charged; all spots are first come, first served. Registration changes may be made through 6:00 PM on June 1, 2026 without financial penalty. After this date, drop-in care may be requested in writing to a Director prior to the day of care, must be approved by a Director, and is $75 per day with no exceptions; any unregistered week requested after June 1 will be billed at the drop-in rate. Days may be added between June 2–June 12, 2026 at standard weekly rates, and after 6:00 PM on June 12, 2026, all added days will be billed at the drop-in rate. Reductions in registered days requested between June 2–7, 2026 will result in 50% of the originally registered tuition being charged, requests between June 8–14, 2026 will result in 75%, and any reductions requested after 6:00 PM on June 14, 2026 will result in 100% of the originally registered tuition being charged.

Tuition Fee and Payment Schedule

Tuition payments are due by 6:00 PM on the Friday prior to care. Payments received after 6:00 PM on Friday or not paid prior to care will result in a $25 per week late fee, which will continue to accrue until the account is brought current. Summer camp tuition is billed monthly, and families will receive invoices for June, July, and August (through September 3, 2026) via ProCare; however, payment is still due weekly, no later than 6:00 PM on the Friday prior to care, in accordance with the billing schedule below.

Invoice #1 – Care registered June 15–July 3, 2026
Invoice sent via ProCare: June 5, 2026
- Week 1: June 15–19 → Due June 12, 2026
- Week 2: June 22–26 → Due June 19, 2026
- Week 3: June 29–July 3 → Due June 26, 2026

Invoice #2 – Care registered July 6–July 31, 2026
Invoice sent via ProCare: June 29, 2026
- Week 4: July 6–10 → Due July 3, 2026
- Week 5: July 13–17 → Due July 10, 2026
- Week 6: July 20–24 → Due July 17, 2026
- Week 7: July 27–31 → Due July 24, 2026

Invoice #3 – Care registered August 3–September 3, 2026
Invoice sent via ProCare: July 27, 2026
- Week 8: August 3–7 → Due July 31, 2026
- Week 9: August 10–14 → Due August 7, 2026
- Week 10: August 17–21 → Due August 14, 2026
- Week 11: August 24–28 → Due August 21, 2026
- Week 12: August 31–September 3 → Due August 28, 2026
